SAVED

18-

Butch,

Well, it has been a fast year for us. Although it has seemed dull, we have gotten more accomplished. How we realize: No matter what you come up against in life, just handle it the way you did here at Suma. Always try your best and keep your good attitude that you possess.

Your friend,
Tim Reynolds

Rick, I've been great this a next year. You've made the most of your time. Best of luck next year.
Pete

Foreword

We, the *Skirmisher Staff of 1967*, have tried to the best of our ability to bring the corps of cadets another outstanding annual. The events that took place in the past year have been enjoyable to us as they must have been to you. This year book is by no means meant for one cadet in particular. Everyone of you has made a contribution to this publication by your participation in clubs, sports, military and academics. Trying to capture the actions of fellow cadets in their everyday life here at Fork Union has been a chore. Our annual is an epic of the lives of its students, as it represents a significant part of our lives. It isn't just a book of pictures of different events; it is, instead, a record of memories which can never be forgotten. It is a history book to be cherished by all who own it. It contains many events and memories that will linger forever in the hearts of the corps of '67. We hope that in years to come this *Skirmisher* will bring back to you those fond memories of friends with whom we have shared the experiences of our transition from childhood to manhood here at the Academy.

The World's interests are under God, in the hands of the young.

Administrative Staff and Faculty

The administrative staff and faculty have had many years of training in the education of young men. These dedicated men have guided many young cadets in the right path toward a prosperous future. Without our faculty we wouldn't have this fine school in which to prepare for our future. Guiding the corps of cadets in the right path is a hard and serious job, but the faculty has been doing an excellent job for years. Many of Fork Union alumni have gone from the campus here to new heights in the world because of the fine education and learning they received from the highly qualified faculty here at the Academy. The class of 1967 and the many others to come from this fine institution will be truly indebted to the staff and faculty, who have given us the best part of their lives in order for each of us to obtain a better education. No words could adequately express the gratitude that the corps of '67 feels for them. We the senior class and the Skirmisher Staff of '67 thank you for your wisdom, guidance and faithful service to us.

All of a child's life depends on the ideal it has of its parents.
Destroy that and everything goes—morals, behavior, everything.
Absolute trust in someone else is the essence of education.

In Memoriam

COLONEL JOHN AYRAULT, JR., U. S. M. C. (*Retired*)
Head of the History Department for 9 years
Died November 25, 1966

Taps sounded at Arlington National Cemetery on November 29, 1966, for a distinguished soldier, officer, teacher, father, and a true American who loved his work, his family, and his country. A deeply dedicated individual, Colonel Ayrault loved this institution and the community it serves with a true devotion. He was anxious to help the Academy to progress, to move ahead in its efforts to enrich the present and future lives of our cadets. His firm guidance will always be in our memories.

What greater or better gift can we offer our country than to teach and instruct our youth of today?

He was making students of today, into the leaders of tomorrow.

He wished to cultivate within the largest possible number of our future citizens an appreciation of both the responsibilities and the benefits which come to them because they are Americans and because they are free.

Senior Class

We have waited four years to graduate; the time has finally arrived! Throughout these years, and despite our mistakes, Fork Union has made all of us better young men. Very soon we shall be leaving the Academy, and some of us will never see the campus of our beloved Alma Mater again. We shall never forget the many lessons this fine institution has taught us, nor shall we forget the numerous friends we have made over these years. It was here, during the most crucial time of our lives, that Fork Union built our characters into those of finer young men for a worthy nation. We are the sixty-ninth class of the Academy, and we feel that we are the most outstanding group of seniors. We are filled with a new kind of spirit, happiness and a will to learn, thus ready to face the world of tomorrow. There are times when words are too inadequate; however, and most sincerely, we the senior class of 1967 wish to express our eternal gratitude to the Academy for its efforts in our behalf.

Train up a child in the way he should go

And when he is old he will not depart from it.

—Proverbs 22:6

Senior Class History

NEW CADETS 1963-'64

It all began in September 1963. We, the "first year men," who were called by our last names and hardly knew which way to turn, seemed to have been helplessly lost. To many of us it was the first time away from the leisure of everyday life at home. During our first few weeks, there was the feeling that everything was going much too fast. The busy schedule was a means of keeping us from having time to become homesick. To keep us aware of the schedule, there were the bugle calls. There were bugle calls for waking up, going to class, eating, drilling, and preparing for inspections. We often wondered why there wasn't a bugle to blow our noses. As time progressed, we began to adapt ourselves to the environment, which up to this point had been a complete state of chaos. We began to meet people from all parts of the world and to develop long-lasting friendships. Our academics didn't present a problem to us, because we didn't take them seriously. We simply listened to chapel talks on college entrance requirements and statistics, as we sat patiently in the section which was reserved for the new cadets.

When May rolled around, we were surprised how quickly the year had passed; and we looked forward to nice long summer and the thought of returning to F. U. M. A. next year.

OLD CADETS 1964-'65

This year, since we were strangers no more, we got the name "old cadets"; and we were confronted with greater responsibility. As we looked at the cadets, we just couldn't seem to understand why the first year cadets were so dumb; we knew that we certainly couldn't have been as dumb as they our first year. This year we had it a little easier, since there were always new cadets around to wax floors, wash windows, and do other janitorial work, while we supervised. The year was also easier because we knew how to get out of more things. Since we had moved to the other side of the chapel, we listened a little more closely to the talks; and we realized that there really was something to all of this talk about academic averages. We realized that we were taking more difficult subjects that required a little more of our "free time," which we had a little more of due to the fact that our names appeared on the right side of the stick sheet instead of on the left. This was the year we bought newspapers to read how F. U. M. A. was going to handle the Federal Government. Actually our only interest in the whole situation was getting out of MST classes. As the year closed, we looked forward to the next one in hopes of attaining more rank. There were also thoughts of making this summer a better one than the last.

JUNIORS 1965-'66

As we returned to F. U. M. A. for our third year, it was not too difficult to get back into the old routine. For many of us there was even a girl back home. We all, therefore, looked forward to weekend leaves in the hopes of escaping the gripping hands of the so called "Fork Union Culture." This year as never before we worked harder at our academic averages and tried to improve them. A number of us had been carefree in previous years, but the title of senior loomed ahead in the not too distant future, and that fact made our lackadaisical attitude change and forced us to study harder. This was our first year without MST classes, but no one cried about it; we still had our Bible classes in the afternoon to look forward to. This year we are also fortunate enough to enjoy the comforts of our new heating system, although everyone wondered why we still had extra blankets. We all formulated by personal experiences many different attitudes toward Fork Union, but in the overall picture we know that the school was helping us all to mature, some of us in different ways from others. We also began to appreciate the fine faculty that so patiently and diligently tried to make us well-rounded gentlemen (which in later life we will appreciate). With the closing of our junior year, we were looking forward to our fourth and final year at F. U. M. A. and that little piece of paper saying we were graduating from high school.

SENIORS 1966-'67

This last year seemed the easiest to start, for we were responsible for most of the corps and had little time to worry about ourselves. We realize the mistakes that we had made in previous years, and we tried to give advice to our underclassmen. This year the subjects were harder, and much of our free time had to be devoted to extra-curricular activities, such as our new obstacle course and road marches. We were all thrilled by our company sponsors for the Thanksgiving Day football game, which is one giant step closer to every senior class's dream—a prom. This year college applications had to be submitted, and college entrance examinations were a formidable necessity. Also for some reason there seemed to be a greater reluctance to register for the draft. We were doing everything for the last time now; so we tried to do it better. The days flew, and we scarcely had time to collect our thoughts; but, when we did, we glanced in retrospect. Somehow we made it. As we look back on our years here, we can recall many memories—some of them happy ones; then there were the ones we would rather forget. At last, as we reached one of the many goals of our lives, all the hard work and sacrifices seemed worth it. Although we have accomplished one goal and just begun another, we've become better individuals through the experiences and knowledge gained here at Fork Union Military Academy.

Last Will and Testament

Through the years at Fork Union Military Academy it has been the duty and privilege of the Senior Class to write its Last Will and Testament. It is a necessity for the Class of '67 to leave their irreplaceable legacies to the fortunate underclassmen who will be allowed to return next year. This document is surely one of the most important things published during the school year. Being of questionably sound mind and body, the members of the Senior Class of 1967 do hereby leave the following benefactions:

After many hours of deliberation *Tom Barnett* leaves a rubber flag and the key to the flagpole to Edgar Rivera who also wants a harmonica. I, *Tom Jarrell*, leave my weight set to Mike Anthony in hopes that they will get a little use next year at any rate. Retired *Major Jerry McDaniel* leaves a list of "Minimum Work Requirements" to any future Battalion Executive Officer who might decide to improve a little on the "Sleeper-job". *Jeff Rhodes* leaves his unsurpassed mouth odor disinfectant to Nevel DeHart. *Chip Patterson* leaves his ability to all cadets to have fun at Bill Dick's A Go-Go on a roaring Saturday night. I, *Michael Prentice*, will the cadet corps a case of cotton in case Nevel DeHart goes on one of his yelling rampages. I, *Kenny Valz*, leave one bottle of invisible ink and five stick-pads to Captain Paulette for the next year. I, *Champ Garrigues*, will my ability to play tackle on the football team to Wilhite, D.S. I, *Dick Sprott*, leave my ability to get along with Pop Folkes to the next lucky guy.

Cadet *Stephen Haywood* does hereby leave his title of "Handsomest Man in the World" to Tom Cool Beerbower, but above all he just leaves! *John Smoker Bowers* leaves one pair of paisley print underwear and his S.S.S.'s to the next big smoker from Richmond. *Mike Voitlein* leaves Fork Union as he pleases. *Philip Steers* leaves an appropriate wise saying: "The World is a comedy to those who think." *Mike Dumic* leaves his collection of motorcycle magazines to Col. Waldron. I, *Smiley Edwards*, hereby give my radio and T.V. antenna system to Parsons, S.A., for use next year. *Bill Brooks* leaves his great ability of getting up early in the morning to Captain Hall, who will need it for next year's "E" Co. *G. D. Johnston* wishes to leave the bottle of hand cream willed to him by the *Class of '66* to the next FUMA *Gator*. Also I would like to leave "E" Co. to the next loser with the hopes that the Commandant's Department will learn to quit publishing the Company Competition results up-side-down. I, *Skip Sinkler*, leave my great love for the Crow Society to Bunky Caldwell and one tube of grease antiseptic cream to D. M. Cody. I, *Paul Miller*, leave my ability to cope with all of the problems of the Mess Hall to Danny Klee and Steve Wilson. I, *Earny Tuten*, leave my smoking permit to Nevel DeHart in hopes that he will have better luck with it than I did. I, *Mike Letterman*, will Phil Minor an extra pair of gloves and Don Landes an everlasting friendship. I, *Vine Foti*, have nothing, know nothing, see nothing, and leave nothing.

T. C. Ratliff solemnly wills and gladly gives up room B-304's reputation as being the dirtiest room in the Corps to George Crossman, who tries so hard to get in good with the illustrious T.O. "B" Co.

I also will my throat lozenges to our sneaky physics teacher who gives himself away as O.C. by coughing too loudly. I, *Andy Garcia*, leave to Jee Carreras my Spanish knowledge, influence, and flavor so he can handle it and take good care of it for the future years. Let it be known that *Dick Hinnant* hereby wills Craig Fletcher the ability to play chess and to bum at beaches as he usually does. I, *Hawkeye Draper*, leave my ability to age in high school to Sam Smiley. I, *Maw Dinnis*, leave my ability to be the Big Shot of "C" Co. to the next person who thinks he can hold the reputation. To Bush Collins, I, *Bob Pratt*, leave my can of spray shine and to the "Wop" I leave my Clearasil in hope that it will help him. *Bruce Marks* wills David Lendzian the whole entire Civil Rights movement. *Farmer O'Bannon* leaves his deep love for FUMA to Bob Martin. I, *Jim McCreight*, will a room vacancy with Larry Bell to anyone who can tolerate him for a year. *Coach Evans* leaves to Glenn Chambers his tremendous liking for lemonade in hopes that he will use it for the betterment of the Corps.

Eli Pippos leaves his warped sense of humor and his ability to create good impressions to Mike "The Madman" Spight, provided they are divided among the group of the first platoon of "E" Co. next year. I, *Neil Snoopy Haynes*, leave my flying scarf and goggles to the next "Little Dog" of "C" Co. who wants to shoot down the Red Baron. I, *Bouldin Rick Peebles*, hereby leave my map of the founding of Fork Union to Larry Cortright and John Nowell in hopes that they will know Fork Union as well as I do. *George Morrisette* leaves Allan Seager to the next Executive Officer of "B" Co. to take care of. I, *Robbie Mock*, leave my devoted stripes to Bill Parker or anyone who feels he can maintain them or the position. *Bill Martin* leaves his name "The Lad" to Rod Lambeth and his ability to collect speeding tickets. Also he leaves a bag of fertilizer to little Don Martin. *Biff Messinger* leaves the "Demilitarized Zone" to the next two "Demilitarized Majors" who will occupy it. *Bob Heimbecker* leaves to Karl Woeful a book on "Child Psychology" used effectively against Bob Mock and Larry Bell. *Sam Smiley* wills his knowledge of the Mess Hall operations, ability to get on the good side of Sgt. Markham, plus rank and other fringe benefits to the next Assistant Head Waiter.

Steve Cassius Shiers leaves his undying love, devotion, and respect for those of the Commandant's Department to anyone who would care to have it. He also leaves one well-used pair of boxing gloves to the corps' next *Cassius*. *Mike McCarthy* leaves his ability to play all musical instruments to the future members of the Band. *Elliot Ward* leaves the ability to be a Tar Heel lover to someone who really needs it, Ron Powers. *Clay Gove* would like to leave his undeniable talent as a Corporal to Dennis Quinn and his most heartfelt sympathy to Rob Duncan and Nels Nelson, since they have chosen to return next year. I, *Bill Miles*, leave my ability to "night walk" to any underclassman who would like to go on leave 20 times a year and 5 lbs. of chocolate to Vince Foti. *Ken Sickmen* leaves his quiet (?) manner and peaceful disposition to the next 2nd platoon commander of "B" Co. *John J. O. Watkins* leaves Kevin Barrowclough one Indian headdress with 250 chrome-plated feathers so everyone will recognize him as Chief. *Gary Edwards* leaves his remarkable ability to return thanks at Mess I to the next "B" Co. Commander.

Rick Baehr hereby bequeaths his love and admiration to the af-

Military

The Academy has enjoyed a second year of success with its own military department. This department has four well qualified men, and they have done a very good job again this year. These men teach the cadets personal discipline as well as military discipline. Fork Union's Military Department, under the fine leadership of *Major* R. L. Pulliam, has taught the Corps of Cadets one of the most important things in life, and that is a deep sense of pride in our nation and what this pride can mean to the free world of today. A cadet who enters the Academy becomes a part of the school that is helping to mold boys into young men. This young man is constantly being subjected to knowledge upon which he will build his foundation for the vigorous road ahead in life. Discipline, self-respect, courtesy, integrity, honor, and loyalty are the bases for the composition of this character. Military training teaches him the value of an orderly life, which is kept mentally fit, physically strong, and spiritually sound. It is to be able to obey as well as command; to organize and to plan. It is the ability to meet an emergency calmly and effectively. During the year, each cadet has fired at least the first step of the National Rifle Association basic requirements. All of the cadets who graduate from Fork Union and embark upon a military career are thankful for the training they have received from these men.

I mean to make myself a man,
and if I succeed in that,
I shall succeed in everything else.

THE 1967 BATTALION STAFF

RETAN RIFLES—DRILL PLATOON

The compulsory training program in rifle safety and marksmanship conducted on our outdoor range by *Commander* E. F. Chandler, U. S. C. G. (*Retired*), was well received by the entire *Corps of Cadets.* Approximately 96% of the Corps qualified as Pro-Marksman under National Rifle Association regulations and a large number continued in the program to achieve higher ratings. Our military training goes on each Monday and Wednesday.

The N. C. O.'s Club

The Cadet Non-Commissioned Officers are all the cadets with rank of corporal through master sergeant. Each has a definite assignment in his respective unit; therefore, his responsibilities are many. We are very proud of the high standards maintained during the year by this fine group of cadets. Our N.C.O. group has been well traianed by our Military Department. Out of this group of cadet N.C.O.'s will come the cadet officers for the following year. They are sponsored by *Captains* Britton and Davis, who are members of our combined Military Commandant's Department.

Rifle Team

The rifle team is a competitor in the Military Schools Rifle League. Matches are also scheduled with independent school rifle teams in the area. Postal matches are also conducted, each team firing a regulation match on its home range and mailing these scores to the host school for comparison. Shoulder to shoulder matches on a home and home basis is the usual type of match scheduled. The team completed the season with five wins and four losses. We want to express our appreciation to the team and their excellent coach for a fine season. The team is coached by Commander E. F. Chandler, U. S. Coast Guard Reserve (*Retired*).

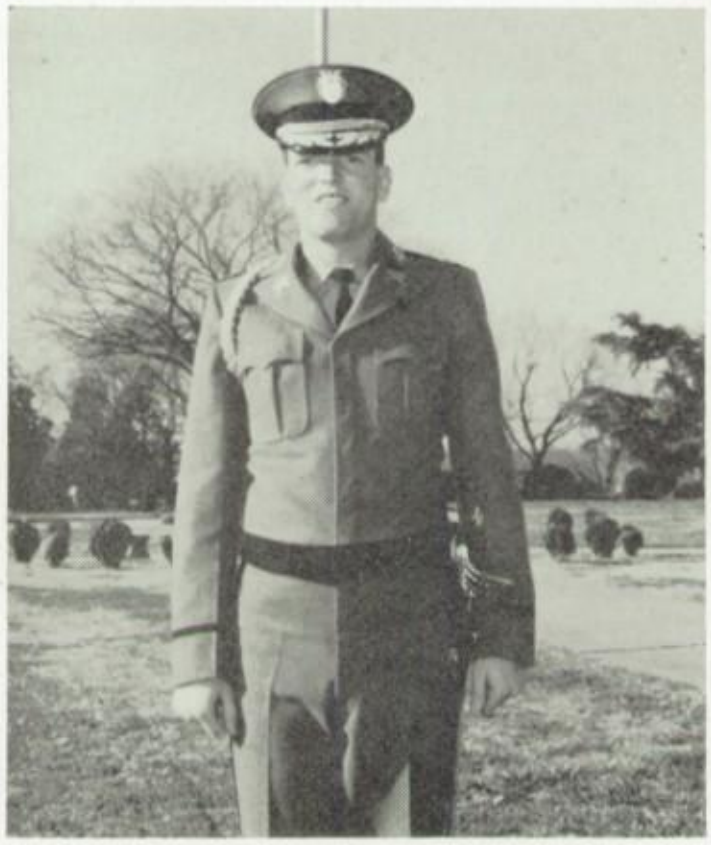
Officers' Club



Lieutenant Colonel
Donald Michael Deans
Battalion Commander

The Officer's Club is composed of all sabre-rating cadets with the rank of 1st Sergeant on up in the Corps. The Corps of Cadets is organized into a Battalion with the *Lieutenant Colonel* as *Battalion Commander*. Each cadet officer has a definite assignment in his respective unit and is responsible for military proficiency, as well as the conduct of all those assigned to his unit. This year the Officers' Club has as faculty adviser, *Major* C. L. Ross, who is the *Assistant Commandant of the Corps of Cadets.*

1st row: Peebles, B. L.; Dinnis, J. A.; Baehr, R. L.; Fox, G. W.; McDaniel, G. L.; *Major* C. L. Ross, *Assistant Commandant;* Deans, D. M.; Messinger, E. J.; Edwards, G. L.; Lowell, W. Retan Rifles

Membership in the Retan Rifles, the elite marching organization of the cadet corps, is open to all cadets who show an interest and a proficiency in drill. A distinctive shoulder patch, helmet, shoulder cord, and the U. S. Army '03 rifle readily identifies a cadet as a member of the Retan Rifles. During this school year the honor platoon participated in the Tobacco Festival Parade in Richmond, the Christmas Parade in Lynchburg, and the Azalea Festival in Norfolk, Va. This precision unit also provides the half time activities for home football games and presents exhibition drills for the Corps and visitors during spring reviews. This year the honor platoon is commanded by *Cadet Captain* B. L. Peebles and is sponsored by the Military Department here at Fork Union. *Captain* W. C. Davis, U. S. Army (*Retired*) is *advisor* to the Retan Rifles.

Organizations

We are grateful to the Academy for the wide variety of organizations to choose from. These organizations met the various interests of the individual cadets. They offered freedom of inquiry and relaxation. All the cadets were encouraged to participate in at least one club of their particular interest. For those who were interested in ethics there was the DeMolay Club; for those who were scholarly there was the National Honor Society. For those interested in riflery there was the National Rifle Association; for those good enough, there was the rifle team, the Retan Rifles and many others. Although a great emphasis is placed upon academics here at the Academy, the extra-curricular activities play an important part in a cadet's life. Many of the clubs and organizations help develop morale among the corps of cadets and outside interests which will benefit them in college and the years to follow after graduation. Participation in these organizations is strictly voluntary, but many of our cadets take advantage of the training they offer. We the Skirmisher Staff of '67 would like to thank the adviser of each club for taking his own leisure time to spend with a cadet that is interested in a particular field. We are also grateful for their support in organizing and inspiring so many student activities.

Instruction ends in the school room, but education ends only with life.

Quill and Scroll

Captain
William Figgatt Lovell
President

The Quill and Scroll Honorary Journalism Society was organized in 1926 by a group of high school advisers for the purpose of encouraging individual achievement in journalistic endeavors. Membership is not open to everyone, and each year a few cadets are chosen for this honor. Membership is based on the following requirements: (1) A candidate must be at least a junior in class standing. (2) He must be in the upper third of his class in overall scholastic work. (3) Each candidate must have contributed to some phase of journalistic work in a superior manner. (4) He must be approved by the advisor. (5) He must be approved by the executive secretary. The Fork Union Chapter of the Quill and Scroll was organized in the school year of 1946 and 1947. The Quill and Scroll is one of the two international organizations of the Academy.

Powers, R. A.	*Vice-President*
Garcia, A. J.	*Secretary-Treasurer*
Marcuson, W. H.	*Program Chairman*

The Cadet Christian Union is designed to serve as a practical and useful way through which a wholesome Christian atmosphere may be exhibited and encouraged on our campus. Meetings for fellowship and discussion of religious topics are held each Monday evening at six-thirty. The C.C.U. also serves as a link between the cadets and the local churches. Similar organizations are active in many colleges and schools and serve as the medium by which religious activities are made available to our students. During its seventeenth year as an active club at the Academy, the C.C.U. is under the direction of *Captain* Donald M. Quinn.

The Fork Union Chapter of the National Honor Society is made up of post-graduates, seniors and juniors who are elected to membership on the basis of superiority in scholarship, service, leadership and character. The National Honor Society is comparable to Phi Beta Kappa of college level. Its purposes are to create an enthusiasm for scholarship, to promote worthy leadership, to stimulate a desire to render service and to encourage the development of character. In addition to the cadets listed below, the Fork Union Chapter includes also a chapter council consisting of five members of the administration and faculty: *Colonel* H. M. Waldron, *Majors*, H. R. Kelly and H. F. Reichenbach, and *Captains*, J. M. Hunt and E. H. Lacy. Seniors and juniors are recommended for membership by the cadet members and elected by the chapter Council. The chapter holds regular meetings.

This is the fourth year of operation for the Fork Union Photography Club. This year's club has equipment such as a room equipped with a sink, tables, and many other modern developing apparatus. The aim of the club is to give cadets an opportunity to develop the pictures they have taken. The darkroom provides members with hours of fun and experience. This year the club has several old members and a number of new members. The Sponsor of the club, Mr. Bob Drumwright, has provided a great deal of aid in getting the club interested in taking and developing their pictures.

The Sports Club, now in its sixteenth year, is under the direction of *Captains* B. G. Saylor and F. M. Arritt. The club is one of the most popular extra-curricular activities at the Academy. The Club offers entertainment and instruction in the form of movies, which are always enjoyed by all. Movies of football, basketball, and baseball are the most popular; but also included are minor sports like hockey, tennis, swimming, and auto racing. These films shown to Cadets are of the top performance and excellent instruction by the great men and women of yesterday and today. Our hopes are that the club will continue to carry on in the future as it has in the past.

Junior Classical League

Sergeant Major
TIMOTHY J. CARROLL
Consule

Voitlein, M. L. — *Vice-President*
Anthony, G. M. — *Secretary-Treasurer*

The Junior Classical League is a national organization composed of local classical clubs in junior and senior high schools. 1966-67 marks the seventh year of the Fork Union Chapter. Presently there are eighty-five thousand members with the Fork Union Chapter contributing ten to this number. The Junior Classical League is the largest and fastest growing classical organization in the world today. Completion of our participation in the Latin courses offered at each local school is the only requirement for membership. Once a student is admitted to the local club, he automatically becomes a member of the national organization and receives his pin and membership card. The highlights of the club's activities is the "Latin Week" celebrated in April. During this week the club offers a display in the library, participation in a chapel program, and generally advertises the merits of Latin and Roman civilization to the members of the corps. Also during the month of April the club sponsors selected members in the statewide Latin examination. At Commencement the club presents a Latin award key to the member who has shown the highest academic excellence in Latin and who has made the greatest contribution to the activities of the club. The fundamental purpose of the Junior Classical League is to encourage among young people an interest in and an appreciation of the civilization, language, literature and art of ancient Greece and Rome, and to give them some understanding of the debt of our culture to that of Classical antiquity.

Kunkle, J. A.	*Vice-President*
Maurer, G.	*Secretary*
Farkash, D. G.	*Treasurer*

The Guidance Club makes available to its members and the Cadet Corps, for guidance purposes, educational, and social information. The objectives in presenting educational information are these: understanding the requirements for admission to the colleges which interest the cadets, discovering the availability of scholarships for college and developing good study habits. The presentation of occupational information has these objectives: to study the general areas of work and to study specific vocational and professional fields, to develop tentative plans for vocational or professional preparation upon graduating from F.U.M.A., and learn to locate and use reliable sources of occupational information. The objectives in presenting social information are as follows: to aid the member in achieving a better understanding of themselves and a more mature relation with other people, to become more adept in the social graces, to appreciate the wise use of leisure time, to gain a better understanding of civic responsibility, and to foster the continued growth of ethical standards by which to judge personal conduct. The Club seeks to accomplish these objectives by using films, by members independently studying available materials of the Club, by the sponsor and other staff members, and by encouraging private conferences with the sponsor and other staff members. The Guidance Club has accumulated a considerable amount of materials related to the above objectives. These materials have been placed in the Retan Library and are available to all cadets as well as members of the Club.

The Fork Union Military Academy NRA Junior Rifle Club is composed of cadets who take a genuine interest in shooting. A Department of Defense survey recently proved that a young man entering the Armed Forces, who was NRA trained, not only made a better adjustment in military life but vastly improved his chance of survival in combat. No one can teach a man to shoot over night. For this reason, among many others, every cadet at FUMA this year was required to take preliminary instruction and fire the basic NRA rifle course. The result was gratifying. Over 98% of the cadets at FUMA have qualified under NRA regulations from the novice rating of PRO-Marksman thru Distinguished Rifleman, the Highest NRA rifle award. The objectives of rifle club are to develop qualities of sportsmanship, fair play, manliness, self control and cooperation, so essential to success in life. Cadets receive instruction in nomenclature, shooting techniques, and above all safety in the handling of weapons. Certificates of proficiency are awarded to Club members as progress through the various shooting stages are established. Outstanding shooters are invited to compete for a position on the FUMA varsity rifle team.

The Athenian Literary Society, throughout this its 56th year, has been an organization striving for the advancement of speaking ability. Techniques have been explored, speech characteristics studied and developed in weekly meetings, and topics of interest to the entire group discussed. We listened to the readings of favorite poems and great speeches, and we had some oratory we felt was good. Yet, perhaps, the most singularly interesting activity was debating, and we all put a great deal of work into it. Our chief goal has been to nourish the ability and instill the desire to be an exceptional and competent orator. We hope there will be as many good times and profitable experiences for the Society throughout its lifetime.

This Society is the older of the two literary societies on the campus, being founded in 1908. It was divided into two societies in 1911. The main purpose of the society is to develop better speaking habits and to develop an appreciation for the art of speaking. Every week the society has a program in which the members actively participate, by stressing the importance of debating, declamations, orations and the reading of poetry. These meetings provide the members with a chance to speak in front of a group. This work is done throughout the year; and the final debate, at the end of the year, climaxes the cadets' work.

Radio Club

The Radio Club is in its fifth year of active operation. The club is sponsored by *Captain* N. W. Paulette, one of the mathematics instructors at Fork Union. The Radio Club has two arms of operation: the school radio station and the amateur electronics shop. The radio station is operated with the purpose of bringing to the cadet corps the latest in popular music, special announcements, and various programs of interest to the cadets. The electronics shop, which is located in the chapel tower, is used for experimenting, short wave listening, and amateur radio operation. Members of the Club are encouraged to acquire an operator's license by passing a standard government test. The club hopes to continue to serve the cadets and bring a better knowledge to its members of the procedures of operating many kinds of electronic equipment.

Chess Club

Chess is probably the most ancient of all games of pure skill. Its origin is lost in the legends and traditions of the past. In the hands of masters chess becomes one of the most intricate and interesting games ever invented. Its value as mental training has often been urged. Our club meets every Wednesday night, and the membership has doubled over the past year. During the year tournament matches are held among the members, and awards are given to the three top players during our commencement program. The Chess Club is under the direction of *Captain* Henry T. Pulliam.

The F.U.M.A. Hobby Club has continued with the purpose of enabling the members to pursue their favorite hobby and share it with others. Although the twenty-two members represent varying interests, construction of models has received major emphasis this year. The two classes drawing the most attention are automobiles and airplanes; interest in motorcycles follows closely. This year the Hobby Club has been provided a new workroom. The area is constantly available to the cadet who chooses to work during his leisure time in addition to the scheduled club meetings. This quiet, informal atmosphere allows the cadet to express himself through unhindered creativity. Many of the club members have worked assiduously in preparation for the model contest which will climax the year. These models will be placed on display and judged by faculty members. The winners will receive prizes provided by members of the club.

Science Club

Stephen Lewis Smith
President

Our attentions were directed toward a historical retrospect of astronomy and its implications with repece to the humanities and of modern physical sciences. In our club, we investigate the nature of scientific research through discussion, projects, and experiments. It is a desired outcome of our club that more questions are evoked than are answered, thus encouraging our members to search for the answers. The Science Club is composed of cadets who are interested in scientific and related subjects. Our club, through experiments and discussion, tries to give its members opportunities to see, understand, and appreciate better that with which we are not familiar or which we casually take for granted. The club desires to keep alive and help the interest of Cadets who seek knowledge in a scientific world.

The Order of DeMolay opened its club doors on the Fork Union campus this year with a goal to try and replace its staggering membership after it lost many members to the graduating class of 1966. The results were self-evident, and the club grew to be the largest on campus. A new council of officers were instituted last May. New plans were formed in their minds during the summer for an even more active Fork Union club. Some of the activities were a planned visit to the Masonic Orphan's Home in Richmond for the order's "International Day of Comfort," which may be chosen at the club's discretion. Another activity planned was the holding of a memorial service in the chapel during DeMolay week to commemorate the 650th anniversary of the extremely cruel and treacherous death of Jacques DeMolay. In summary the DeMolay is a very fast growing campus organization, and it is hoped that it can survive the test of time, which the rigorous activities of cadet life are found to subject it to.

SPORTS

A sound body and a sound mind help to make a real man, and Fork Union strives to offer a program that will develop each individual cadet to his maximum potential. In addition to our many varsity and junior varsity sports the Academy offers a variety of sports such as intramurals, weight-lifting, and a physical training program for all of our cadets which has been in effect now for two consecutive years. Clean sports raise the spirit in the corps, and they also bring forth an enjoyment for the spectators who come to see the games. There are three things that one learns by playing these sports: teamwork, sportsmanship, and fair-play. The main thing one has to learn is teamwork. Without teamwork there will be little success and few victories. It was through the guidance of our excellent coaching staff that we learned what teamwork and sportsmanship are and what they can accomplish. It is an education to both player and spectator to witness the agony of defeat and the thrill of victory.

Youth is the time for the adventures of the body, but age is for the triumphs of the mind.

0 FREDERICK MILITARY ACADEMY vs. F. U. M. A. 26

Fork Union trampled over Frederick Military Academy in the first game of the season. It was the one *Head Coach Red Pulliam* really wanted; for Frederick was the only team that had beaten the Blue Devils for the last three years. For new line coach *Bob Saylor* and veteran backfield coach *Bill Blair* it was a rewarding victory. The Blue Devils' first score came late in the second quarter on a 51 yard pass from quarterback *Glenn Davis* to end *Al Beleski. Ken Cressman* missed the extra point to make it 6-0 at halftime. The second half was all Fork Union with halfback *Larry Barnikow* scoring on a 52-yard punt return and halfback *Doug Johnston* capping a 55-yard drive with a 7-yard sprint around end. Other offensive standouts were *Bob Fatzinger* and *Dave Patterson*, starting halfback, and *Mike Bobbitt*, team co-captain and tackle. But let us not forget our defense, who on at least two occasions held Frederick within the 15. Defensive standouts were *Carl Grillo*, defensive halfback, whose three timely interceptions never let the Frederick offense off the ground, *Tom Diedrich*, defensive end and only returning starter from last year's squad, and *Peyton Barton*, linebacker. Both teams made 13 first downs. FMA gained 46 yards by passing and 133 yards by rushing, while F.U.M.A. gained 81 yards by passing and 194 yards by rushing.

22 HARGRAVE MILITARY ACADEMY vs. F. U. M. A. 28

The Blue Devils of Fork Union out-scored Hargrave Military Academy in their second game of the season to remain undefeated. This was also a Virginia Military School League game. The first half was a 6-6 standoff. Hargrave received the opening kickoff and got it in the end zone; but the Blue Devils came right back with a 25 yard pass from quarterback *Glenn Davis* to end *Al Beleski* to set up a 4 yard plunge by *Dave Patterson*. The third period opened fast with a 50 yard T.D. pass from *Davis* to *Beleski. Davis* ran for the two point conversion. The Hargrave offense bogged to a stiffened Blue Devil defense and was forced to punt. Deep within their own territory, the Blue Devils began a sustained ground drive with runs by halfbacks *Dave Patterson, Bob Fatzinger*, and fullback *Peyton Barton*, capped by a one yard sneak by *Glenn Davis*. Still in the third period, the Blue Devils obtained possession of the ball and quickly put it in the end zone with a 4 yard pass from quarterback *Glenn Davis* to end *Carl Grillo*. Hargrave scored twice in the fourth quarter, but a fumble late in the period broke the back of the rally. Fork Union's passing attack in the third period was too much for Hargrave to stop. In the fourth period Hargrave took to the air but didn't have enough to overcome the Big Blue Devils.

Halfbacks on F.U.M.A. Teams: Larry Barnikow; *Dave* Patterson; *Bob* Fatzinger; *Tim* Hartman; *Doug* Johnston; *Ellis* Lawson.

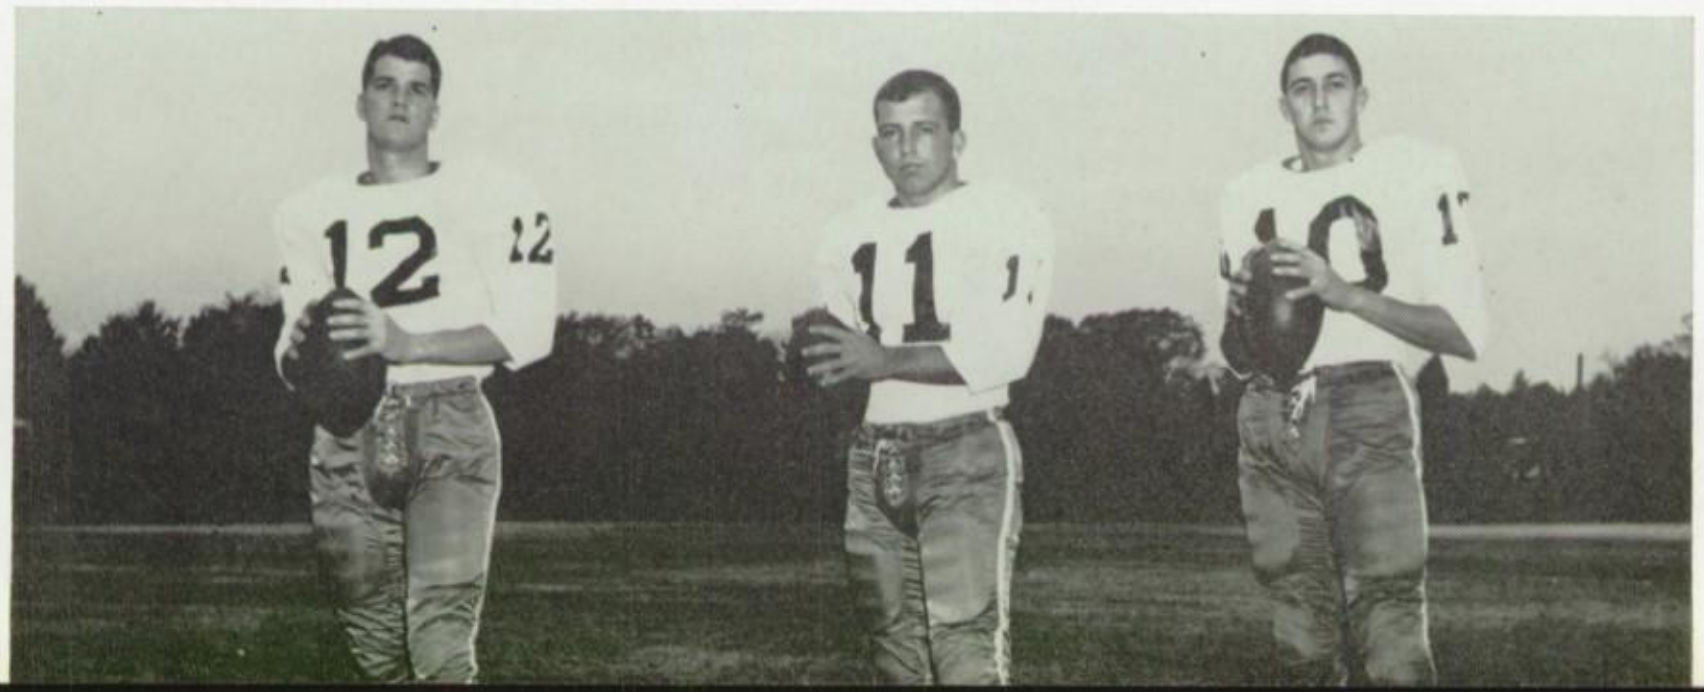
0 GREENBRIER MILITARY ACADEMY vs. F. U. M. A. 12

A powerful passing attack combined with a hard hitting defense gave the F.U.M.A. Blue Devils their 3rd straight victory of the season. This was also an important Virginia Military School League game. A 4-yard pass from quarterback *Glenn Davis* to right end *Al Beleski* gave F.U.M.A. its first score of the game. Defensive left guard, *Tom Muller*, recovered a Greenbrier fumble on the Greenbrier 17 yard line. Halfback *Bob Fatzinger* carried the ball over left tackle for 4 yards to the 13, *Davis* passed 8 yards to *Beleski* at the 5, and halfback *Dave Patterson* carried the ball to the 4. *Davis* then hit receiver *Beleski* a second time, and F.U.M.A. was on the scoreboard 6-0. *Davis's* attempt to gain 2 points by running the ball around end failed. Again in the second quarter, the Blue Devils were on the march. After containing the Greenbrier offense for 4 downs, the F.U.M.A. Blue Devils downed the punt return on their own 31 yard line. *Patterson* carried around the right end for 5 yards to the 36, and fullback *Peyton Barton* crashed through center for 5 yards to the 41 and a first down. At this time, *Davis* uncorked a 48 yard bomb to *Beleski* that soared to the Greenbrier 9. Three *Davis* passes then went incomplete, but on the fourth down, he hit *Fatzinger* for the score. So at the half the score was 0-12 in favor of the Blue Devils. The second half proved all defense with interceptions by linebacker *Ken Korharki* and halfback *Jack Simcsak*. Other defensive standouts were *Mike Bobbitt* and halfback *Larry Barnikow*.

34 NAVY PLEBES vs. F. U. M. A. 13

Our first defeat of the season was given the Big Blue Devils by a non-league team at Annapolis, Maryland, by the Plebes, who unloaded their offensive brilliance to the tune of 34 points. Their defense permitted our Blue Devils only 13 points. End *Al Beleski* and halfback *Bob Fatzinger* were receiving ends of the two touchdown strikes from quarterback *Glenn Davis*, but the Blue Devil offensive was forced to bow before the onslaught of six different Navy teams. The first score came on a 25 yard pass from quarterback *Glenn Davis* to halfback *Fatzinger*. The point after the touchdown failed, and the Blue Devils were in the lead 6-0. This was short lived, as Navy came right back with a pass to the right end, who lateraled to a halfback out of the backfield. This caught the Blue Devils by surprise, and the speedy halfback galloped for the score. The first half remained a standoff, until the last two minutes, when Navy scored twice to go into the locker room with a 20-6 lead. Late in the third period quarterback *Davis* was again on target with a T.D. strike to end *Al Beleski*, but Navy scored twice again to end a game completely dominated by passing with a 34-13 triumph.

Quarterbacks on F.U.M.A. Teams: Mike Lopsonzski; *Glenn* Davis; *Jack* Simesak.



Guards on F.U.M.A. Teams: Tom Muller; *Nick* Lee; *Nello* Rogers; *Mickey* Sullivan; *Greg* Butler; *Dickey* Jennings.

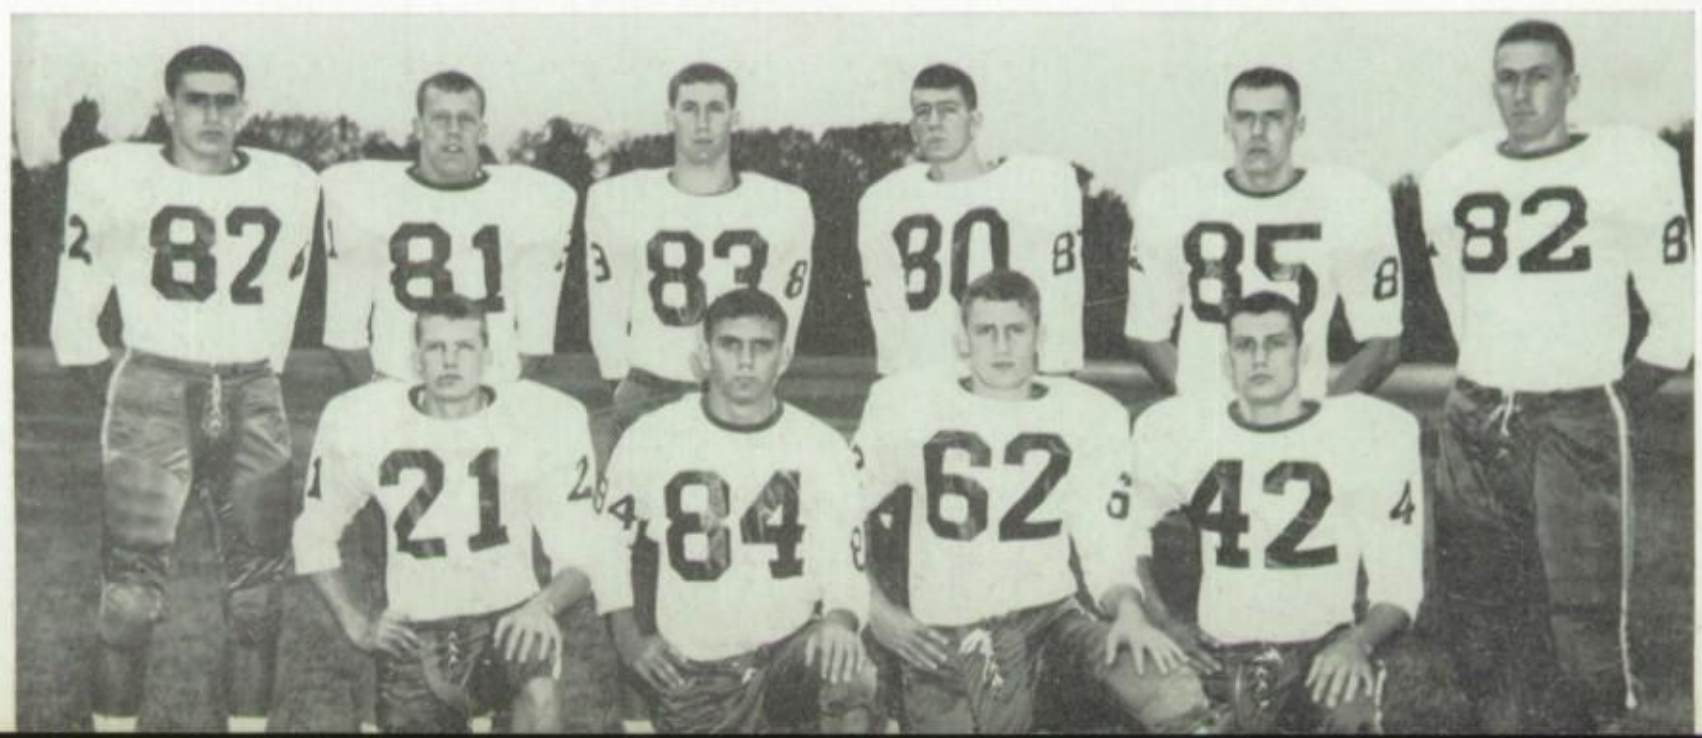
0 VIRGINIA MILITARY INSTITUTE (FRESHMEN) vs. F. U. M. A. 20

Erupting for three touchdowns within four minutes during the third quarter, the F.U.M.A. Blue Devils broke open a score deadlock to down the V.M.I. Freshmen. *Bob Fatzinger* led the sudden F.U.M.A. assault, returning an interception 22 yards for one score and rambling 44 yards from scrimmage for another. In a game dominated by the defense the Blue Devils stopped the only offensive first half threat, when tackle *Mike Bobbitt* threw the V.M.I. fullback for a 9 yard loss from the 16 to the 25, where defensive end *Tom Diedrich* nailed the quarterback for a 15 yard loss to the 40. In the third quarter V.M.I. was on the move; but the drive stalled, when the V.M.I. quarterback was dropped shy of the first down on 4th down. Fork Union took over on the 35. Halfback *Ellis Lawson* reeled off 9 yards, and fullback *Peyton Barton* spurted off tackle for 5 yards and a first down. Quarterback *Glenn Davis* then hit end *Carl Grillo* for a 15 yard pass to the V.M.I. 33. Barton then reeled off 13 for another first down to the 10. On the next play he drove to within inches of the goal, and on the next play plunged for the score. F.U.M.A. forced V.M.I. to punt on the next series to setup the last score. With the ball on the Rat's 44, *Fatzinger* skirted his own left end, faked a would be tackler at the 20 and picked up a key block at the ten to go all the way. V.M.I. blocked the placement attempt, but the damage was done.

9 CAROLINA MILITARY ACADEMY vs. F. U. M. A. 15

This was the Big Blues' overnight trip to Maxton, North Carolina, to play a strong Carolina Military Academy Team. Behind the strong arm of quarterback *Glenn Davis*, the Fork Union Blue Devils marched to a 15-9 victory over C.M.A. to remain undefeated in the Virginia Military League. The Blue Devils scored both their touchdowns on passes from *Davis* to end *Carl Grillo*. The home team, Carolina, scored first on a 30 yard run by Charles Michaels, but the point after the touchdown failed. The Blue Devils bounced right back with a 70 yard drive capped by a T.D. strike from *Davis* to *Grillo*. Carolina again got on the scoreboard in the early part of the third period with a 25 yard field goal to go ahead 9-7. Carolina remained in the lead until midway through the 4th quarter, when the *Davis* to *Grillo* combination paid off once again.

Ends on F.U.M.A. Teams: 1st row: Walt Grizzard; *Curtis* Isbell; *Ed* Dreswick; *Wayne* Mallory. *2nd row: Carl* Grillo; *Tom* Diedrich; *Pete* Hatch; *Pat* Kienel; *Al* Beleski; *Dave* McKay.



2nd Team (Offense), Line: Tom Diedrich; *Mike* Prentice; *Tom* Muller; *Ken* Cressman; *Dick* Jennings; *Gary* Huhn; *Pete* Hatch. *Backs: Larry* Barnikow; *Peyton* Barton; *Jack* Simcsak; *Ellis* Lawson; *Coach Bill* Blair.

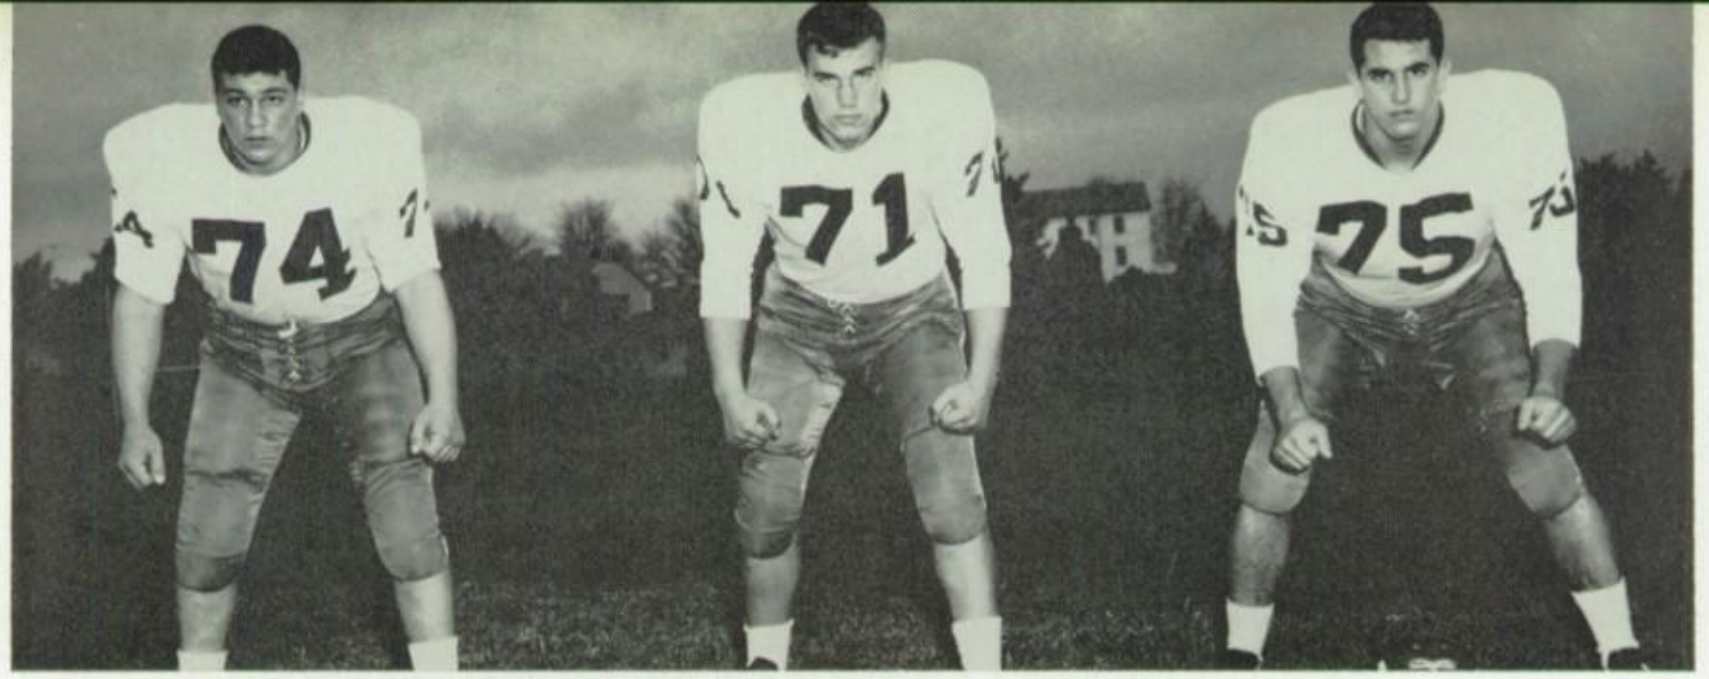
14 UNIVERSITY OF RICHMOND (FRESHMEN) vs. F. U. M. A. 8

With two minutes to go in the game, the University of Richmond scored its second touchdown to edge the F.U.M.A. Blue Devils 14-8. The Blue Devils tallied first on a 4 yard run by halfback *Bob Fatzinger* and a two point pass conversion from quarterback *Glenn Davis* to end *Pete Hatch;* but the F.U.M.A. offense, plagued by mistakes, failed to score on two attempts within the 20 and went into the locker room protecting an 8-0 score at halftime. The third quarter opened with the Blue Devils in possession of the ball, but they immediately lost it within their own territory on a fumble. The University of Richmond quickly capitalized on the Fork Union mistake and scored, and the Blue Devils were leading by only one slim point. Midway in the fourth quarter, Richmond once again put on a drive, and with only two minutes left they scored their second touchdown to take the lead. Fork Union received the kickoff, but the offensive failed to produce, and the University of Richmond went into the locker room with a 14-8 victory.

8 AUGUSTA MILITARY ACADEMY vs. F. U. M. A. 47

By downing the Augusta Military Academy gridmen, for the fourth year in a row, the Fork Union Blue Devils captured the Virginia Military League Title for the fourth straight year. Scoring in every quarter, the strong F.U.M.A. offense completely dominated the game. F.U.M.A. received the opening kickoff at the 40 and returned it to the 50. The Blue Devils then drove for three straight first downs to the AMA 7 yard line, where quarterback *Glenn Davis* tossed a TD aerial to halfback *Bob Fatziznger* to get the scoring ball rolling. AMA got the kickoff on their own 11. Electing to pass to get out of the hole, the AMA quarterback was hit as he threw by defensive end *Tom Diedrich;* and alert linebacker *Ken Koharki* picked the wobbly pass off and raced in for the score. F.U.M.A. scored twice more in the second quarter on a 1 yard plunge by fullback *George Naughton* and an 81 yard touchdown pass from quarterback *Jack Simcsak* to end *Al Beleski.* AMA, though, was not to be denied its score. Late in the second quarter, AMA's quarterback decided to go for broke. The AMA wingback was covered; but, just as the Blue Devils' defender was about to intercept, the ball deflected from his hands into the AMA player's arms, who then turned on the speed and raced in for the score. The second half was a continuation of the first with F.U.M.A. scoring three more times on a 21 yard pass and runs of 28 and 11 yards by halfbacks *Bob Fatzinger* and *Larry Barnikow* and quarterback *Simcsak* respectively.

Centers on F.U.M.A. Teams: Mike Masse; *Ken* Cressman; *Ken* Koharki.



Tackles on F.U.M.A. Teams: Tony Arcaro; *Gary* Huhn; *Mike* Bobbitt.

6 FLINT HILL ACADEMY vs. F. U. M. A. 8

In Fork Union's last game before meeting arch rival Staunton Military Academy, the Blue Devils faced probably what was their toughest non-league team. Although Flint Hill had lost its first few games, they acquired some very good ball players midway through the season and had won their last 4 games by large margins. The first half was a defensive battle with Fork Union coming out on top by the efforts of punter *Jack Simcsak*, whose three coffin corner kicks never let the Flint Hill Preps get started, and defensive end *Wayne Mallory*, who tackled punter Bill Farley in the end zone after a bad snap from center for a safety. The first half ended with the Blue Devils leading 2-0. The second half opened with no immediate change in the score; but, with 6 minutes remaining to be played, linebacker *Ken Cressman* recovered a Falcon fumble on his own 40; and five plays later halfback *Dave Patterson* tallied with a 11-yard run. The Falcons came roaring back with a 79 yard drive in 9 plays, but the two-point conversion failed with one minute left and the Blue Devils leading 8-6. Ken Embrey of the Falcons led all ground gainers with 71 yards in nine carries.

6 STAUNTON MILITARY ACADEMY vs. F. U. M. A. 6

Capitalizing on an alert defensive play by end *Wayne Mallory*, the Fork Union Blue Devils fought their way back from a 6-0 deficit to tie arch-rival Staunton Military Academy in the twenty-fifth annual Thanksgiving Day classic. From the beginning of the game, the S.M.A. Hilltoppers proved to be much better than their 3-4-1 record showed. They received the opening kickoff and marched 71 yards for the score with 8 minutes remaining in the first quarter. The Fork Union offensive then went to work and twice drove the ball to within the Staunton 25, but in each case a fumble halted the drive, and the score remained 6-0 at halftime. The second half opened with Staunton kicking off to the Blue Devils, but the rugged Hilltopper defense dug in and forced them to punt. Ace punter *Jack Simcsak* then soared a high booming kick that traveled from the Fork Union 45 to Staunton 3. The Hilltoppers then took over, but not for long, as defensive end *Wayne Mallory* came booming in on the first play from scrimmage to intercept a Tom Gallo lateral and carry it to the one. The tough Staunton line held for two straight running plays, but on the third down and still one to go, halfback *Dave Patterson* cracked off tackle for the score. The point after the touchdown failed, and the score stood at 6 all. As the third period closed, so did the scoring bids. Fork Union's deepest penetration in the fourth quarter was to the Hilltopper 38, while Staunton didn't get past the Blue Devils 46.

Tackles on F.U.M.A. Teams: Rich Coleman; *Mike* Prentice; *Mike* Bobbitt; *Gary* Huhn; *Tony* Arcaro.

Queen of Thanksgiving Festivities-1966

F. U. M. A. FIRST

Miss Susan Absher

For the first time in the history of Fork Union Military Academy, a Queen was chosen to reign over the annual Thanksgiving Festivities that mark the traditional grid-iron battle with Staunton. Miss Susan Absher, a blonde, brown-eyed Junior at Huguenot High School in Richmond, Virginia, was crowned during the halftime ceremonies by *Colonel* J. C. Wicker. Susan, who represented *'E' Company* in the competition for the Thanksgiving Crown, plans to attend a business college and become a Legal secretary. She was escorted by *'E' Company's* Executive Officer, *Cadet First Lieutenant* Marvin W. Stone. Our thanks to a beautiful Queen, who brightened everyone's day with her charm.

Junior Varsity Football

0 E. C. GLASS HIGH SCHOOL vs. F. U. M. A. J. V. 7

The 1966 F.U.M.A. Junior Varsity won a 7-0 victory over E. C. Glass of Lynchburg to extend their seven game 1965 undefeated season by one. The Blue Devils received the opening kickoff in a downpour of rain and quickly began a series of straight handoffs that marched them to the Glass 40 yard Line. With the ball becoming increasingly wet, the Blue Devils offense bogged and had to punt. Sparked by defensive linemen *Chip Patterson*, *Tommy Manus*, *Bob O'Bannon*, and *Tennessee Williams*, the Blue Devils held Glass for 3 downs and forced them to punt. Not taking a chance on fumbling a wet ball, the Glass punt rolled to F.U.M.A. 7 yard line. Again quarterback *Joe Opocensky* settled down to a basic running offense. Handing off to halfback *Wayne Duncan* for 6 yards and later rolling around right end for 5 yards, he quickly brought the Blue Devils out of the hole. Then with less than five minutes left, halfback *Mike McCarthy* ran around right end for 14 yards followed by *Jim Kay* for 9 yards. With second down and 6, halfback *Duncan* cracked off tackle *Chip Patterson's* block to break free for a 69 yard touchdown romp. The game was called at halftime because of rain.

0 GREENBRIER MILITARY ACADEMY J. V. vs. F. U. M. A. J. V. 20

Lead by a spirited offense and a hard nosed defense, the Fork Union J. V.'s blanked Greenbrier Military Academy 20-0 in their first league game. Receiving the opening kickoff, the Blue Devils marched to the Greenbrier 48 yard line before being forced to punt. The Blue Devils' defense efficiently stopped Greenbrier after only 6 plays and downed the ensuing punt on their own 40 yard line. For the second game in a row, F.U.M.A. began to grind out yards with a ball controlled offense that drove to the Greenbrier 6 yard line, where halfback *Nevel DeHart* received an excellent block from left tackle *Champ Garrigues* to go in for the score. With successive carries by halfback *Wayne Duncan*, *Nevel DeHart* and full back *Jim Kay*, quarterback *Bob Stout* handed off to halfback *Duncan*, who plunged through the line and out sprinted the secondary for a 20-yard T.D. The only second half score came early in the third quarter. Again it was *Duncan* going over from 12 yards out off key blocks by right tackle *Chip Patterson* and right guard *Tennessee Williams*. It was *Mike Voitlein* at defensive end and *Mike McCarthy* at defensive halfback who gave G.M.A. a rough afternoon.

0 HUGUENOT ACADEMY J. V. vs. F. U. M. A. J. V. 33

In the Blue Devil's first home game, they rolled up a score of 33 points while remaining unscored upon, to easily blank Huguenot Academy. Quarterback *Joe Opocensky* threw a thirty yard pass to end *Rusty Gernhofer* for the first score with 7 minutes left in the first quarter. The Blue Devils kicked off, but the Huguenot offense never got off the ground and was forced to punt. The Blue Devils received the punt on their own 40 and began to drive. Quarterback *Opocensky* hit end *Mike Voitlein* with a 25 yard pass that went to the Huguenot 35. The drive ended with halfback *Wayne Duncan* going in from the five, and F.U.M.A. led 14-0 at the half. The second half opened with fullback *Jim Kay's* taking the kickoff at his own 13 and packing it back for the score. The Huguenot offense received the kickoff but soon bogged down; and on the second F.U.M.A. series of downs, after the punt, halfback *Biff Messinger* rambled 60 yards from scrimmage for the score. End *Rusty Gernhofer* caught a 25 yard pass for the Blue Devil's last score.

6 HARGRAVE MILITARY ACADEMY J. V. vs. F. U. M. A. J. V. 36

The Blue Devils' first home league game was with none other than their arch-rival Hargrave Military Academy. The Blue Devils received the opening kickoff but failed to move the ball and were forced to punt. Hargrave's Steve Balinks received the punt on his own 30 and twisted and weaved his way back to mid-field before F.U.M.A.'s *Bob O'Bannon* was able to subdue him. Hargrave then drove to the Blue Devil's 5 yard line before the rugged Blue Devil defense caught fire and broke the drive by smothering 4 straight running plays. From then on out it was all Fork Union with halfbacks *Nevel DeHart*, *Wayne Duncan*, and fullback *Jim Kay* capping three touchdown drives before the half came to a close. The second half seemed like a continuation of the first with Fork Union still brutally pounding Hargrave for two more touchdowns before fumbling a snap deep within their own territory in the closing minutes of the game to give Hargrave their only score of the day.

8 STAUNTON MILITARY ACADEMY J. V. vs. F. U. M. A. J. V. 47

Staunton, the Blue Devils' other arch-rival, who was classed earlier as "tough competition," failed to line up to their reputation, as Fork Union pounded the Hilltoppers for 47 points while allowing only 8. The Blue Devils received the opening kickoff and quickly put it in the end zone on an 8 yard pass from quarterback *Joe Opocensky* to end *Mike Voitlein.* Staunton came right back with a 60 yard aerial bomb to tie the score. Fork Union received the kickoff and immediately began to march. A screen play from *Opocensky* to halfback *Nevel DeHart* netted 46 yards and carried the Blue Devils to the Hilltopper 9, where halfback *Wayne Duncan* put on the finishing touches; and Fork Union led 16-8. This score set the pace for a series of touchdowns, as halfback *Wayne Duncan* enjoyed his best game, going over for the score on 3 other occasions. Halfback *Nevel DeHart* also had a fine day with runs of 38 and 31 yards.

0 AUGUSTA MILITARY ACADEMY J. V. vs. F. U. M. A. J. V. 15

The Little Blue Devils played the last military league game of the season, the one which would decide whether they would become J. V. Military League Champs for the 3rd straight year in a row, against Augusta Military Academy J. V.'s. The First quarter closed with both teams never able to mount a serious drive because of a tenacious defense, which is always characteristic of a military league game. The Blue Devils finally got the ball rolling in the second quarter. Halfback *Nevel DeHart* scored on an 8 yard run for the first score, followed by halfback *Wayne Duncan's* 2 point conversion. The Blue Devils got the ball back with 5 minutes left on their own 40. A handoff to fullback *Jim Kay* netted 5 yards. *DeHart* then took a screen pass from quarterback *Joe Opocensky* that carried to the Augusta 20. The Blue Devils then drove to the 11, and on third and one yard to go halfback *Wayne Duncan* skirted left end for the score. The second half opened and closed with a pelting rain that never let either team mount a drive. In spite of the driving rain and their repeated mistakes the Little Blue Devils won 15-0 and remained champs.

21 WOODBERRY FOREST J. V. vs. F. U. M. A. J. V. 13

After winning 13 games in a row, the Blue Devils finally met their match. Woodberry Forest proved not an easy foe as they fought their way back from a 13-0 deficit at half time to defeat Fork Union 21-13. The Blue Devils kicked off, forced Woodberry to punt, and drove to within the 30 before giving up the ball. The Blue Devils got the ball back again, and on the first play from scrimmage halfback *Nevel DeHart* broke off tackle, cut for the sidelines, and after expertly dodging a few tacklers was finally tackled on Woodberry's 30 yard line to net 31 yards for the Blue Devils. F.U.M.A. then went on to score on a five yard run by halfback *Wayne Duncan.* Woodberry came right back tying the score 7-7. Fork Union scored once again late in the 2nd quarter on a 5 yard touchdown pass from quarterback *Joe Oposensky* to end *Mike Voitlein.* The half ended with Fork Union leading 13-7. The second half was all Woodberry Forest, as they went on to score two more touchdowns.

Acknowledgments

We, the members of the *1967 Skirmisher Staff*, have enjoyed doing the work on this year's annual. Within these pages is recorded a year of our lives and those of our friends and classmates but all of our work would have been of little value had we not had the support and aid of many fine people. The staff wishes to thank sincerely:

The André Studio, Incorporated of Lexington, Virginia, and their staff for their excellent photography.

Mr. Irvin I. Silvers and the Garamond-Pridemark Press, Inc., Baltimore, Maryland, for their masterful printing and engraving which have added a great deal to our annual.

To our advisers, *Major* H. F. Reichenbach and *Captain* C. F. Hoffman, go our most sincere thanks for their help, supervision, understanding and kindness in making a fine book of our last year at Fork Union Military Academy.

Colonel Frank A. Crockett, *Colonel* H. M. Waldron, *Major* Irving A. Howell, *Major* James D. Lynch, Mrs. Ellen B. Stevens, Mrs. Robert M. Ivins, Mrs. W. H. Miller, Mrs. R. L. Pulliam, Mrs. C. R. Clark, *Captain* Bob Spencer and Mr. Bob Drumwright for their kind aid and cooperation.

We would like to express our appreciation for the opportunity that was given us and also for the help which we received from those who have contributed so much.

fable magical "Wizard" of our Military Department—the future S-3. *Steve Brauns* leaves his ability to obtain rank, and uphold his Battalion Commander to Military Marve Stone in hopes that he may be able to use his ability to polish apples next year. *Lee Speed Briscoe* wishes to leave his rank and Military know-how (?) to John (J.O.) Downham, Glenn (MOOSE) Keyser, and Gary (FLIPPER) Smith in hopes that they will continue the tradition of the Olympians next year. *Allen Rat Ratliff*, being of fairly sound mind and questionable body, wishes to leave the ability for the 3rd platoon leader of "B" Co. to do so well on the Saturday Inspection while all of the other officers are on leave. I, *Dickie Jennings*, do leave Cadet Phillippi my mountain accent and my smoking permit. *Glenn Brumm* wishes to leave Marvin "Military" Stone an extra large bottle of sun tan lotion for sunburn, of course. *Bill Zieber* is very happy to leave his personality to Larry Bell and his love of FUMA to anyone who wants it. *Don Deans*, being of sound mind and body, and very lucky, does hereby leave the ability to hold the rank of Battalion Commander for one whole year to the next unfortunate pseudo-militiaman. Edgar Rivera is the lucky boy upon whom *Jerry McDaniel* wishes to bestow his thumb-index dictionary with the Whitman's pronunciation key. Let it be known that *Dave Farash* just leaves!!! I, *David Horne*, leave many ingenious ways to get out of work to Tim O'Keefe and a bottle of Bufferin for those hard Sunday evenings returning from leave. *Jim Wheat* leaves his stripes to anyone who thinks he has enough pull to keep them. He also leaves all of his problems to Melen, R.W. so he can psycho-analyze them. I, *Jim Mayo*, do hereby leave to Cadet Booth my battle jacket along with 50 lbs. *Parker Preston Trader* leaves the free run of the school and all of the rights and privileges therein to anyone who thinks he can handle this executive position. *C. J. Slayton* leaves all of his love letters that he received every morning to "Flash" Phillippi so he can stop writing himself letters. *Gary Edwards* and *Allen Ratliff* leave the ability to the next occupants of B-300 to get out of bed early enough to meet formations. *Dan Huck Nelson* leaves the ability to be dangerous to whoever thinks he can handle it. *Bruce Brymer* leaves his slightly used corporal stripes to anyone who thinks they can keep them as long as he did. I, *John Monroe*, do hereby leave my Caribbean tan to anyone who thinks he needs it. *Fidel Mendez* leaves his toothbrush and toothpaste to Cadet Chambers, and his perfume and electric shaver to Cadet Lawson. *Jim Duffy* leaves J. O. Downham and Flipper Smith his ability to stay in trouble and still get along with the swimming team. Ed Townsend receives *Van Quinn's* love of FUMA and Mike Calwell gets his trusty flashlight and Frazier. *Buckets Schumann* leaves his ability to play the bugle, his bucket, and nick-name to Captain Britton, who may give them to the next appropriate bugler. *Sea Dog Traynor* leaves his sailing ability and six stripes to Don Heimbecker. I, *John Stewart*, do will to Skip Whittier my smoking permit along with all the cigarettes he owes me. I, *Tom Karns*, being of an insane mind and empty wallet, do leave my last pack of cigarettes to T. D. Beerbower, the Coolest guy in the world.

Be it hereby known that all the possessions above are duly and legally passed over to the recipient immediately upon graduation.
